

Trek Part

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering new design concepts and top quality so as to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like offering products which energize both their partners and their dealers and offer production gains to their customers.

The TREK team of workers likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

When required, the staff members within TREK and its various dealer members in both technical support and parts would be obtainable. Amongst their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines ready and running on a daily basis is top priority. The company's top of the line technology delivers dependable machine that eventually reduces your cost of cleaning. The price, the service and the product all work together to make them an industry leader.
