

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the industry as strong and durable equipment that suits all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the brand name "Encore". American Lincoln can supply warranty service, equipment and parts for these scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been used by the architects in various construction projects like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location because of the model's high standard of quality and utmost performance level for polishing concrete.
