

Fork Mounted Sweepers

Fork Mounted Sweepers - The lift truck mounted broom attachment can make industrial sweeping work much easier. Meant for use on either wet or dry surfaces, this mounted broom attachment can squeegee water and push snow without difficulty. This particular attachment is normally utilized so as to clean debris from parking lots, warehouses, construction sites, docks and almost wherever it is considered necessary. The forklift sweeper is a low maintenance accessory which utilizes quick-tite tine products to easily connect to the lift truck.
